

Quickly laid, can immediately bear loads,  
great design and easy-care:

## Silikal-flooring in a bakery

Expect more from your floor.

Seamless and hygienic:

## Neat floor for "Bakker Bos"

Easy to clean, appealing to the eye, safe in its use: The new reactive resin floor in the bakery "Bakker Bos" in Ochten/ Netherlands makes day-to-day working a bit more pleasant. Another decisive advantage: The new light grey Silikal flooring was laid in a very short time.

Already one hour after laying, the Silikal flooring was completely hardened and fully loadable. Added colour quartz provides a high amount of slip-resistance during baking operations. Seamless surfaces make this floor very easy-care.

Proven in the field  
For over 55 years  
On many million m<sup>2</sup>

*Skillfully applied by qualified installers and the new floor is fully cured and ready for action within two hours. A perfect way to keep your operation running wide open.*

Expect more from your floor.
